

Dear valued customers,

In accordance with Regulation (EU) No. 833/2014 and within the context of Annex XVII of the same Regulation, we declare to the best of our knowledge that none of the products we sell were produced using Russian-origin iron or steel or processed in a third country as listed in Annex XVII and that no Russian iron and steel products were used in the production of the specified goods/parts in accordance with Regulation (EU) No. 833/2014.

In our capacity as a distributor, distinct from that of a manufacturer, it is essential to clarify that while we do not exercise direct control over the supply chain pertaining to the products we offer, we assert the absence of any defects within our purview.
